

PRODUCTS

We are an innovative know-how company, involved in sales and services of industrial process measurement, control and automation products since 1999. Our primary focus is on sensors, transmitters, actuators, controls and their connectivity.

FLUID POWER AND CONTROLS

- Compressed Air System
- Pneumatic Components and Systems
- Vacuum Components and Systems
- Compressed Air & Gas Instrumentation
- Control Valves and Actuators
- Process Plant Equipment and Components

INDUSTRIAL PROCESS MEASUREMENT

- Temperature Measurement
- Pressure Measurement
- Level Measurement
- Flow Measurement
- Liquid Analysis
- Position and Motion Measurement
- Condition Monitoring Systems
- Loadcells and Weighing Automation Systems

INDUSTRIAL PROCESS CONTROL & CONNECTIVITY

- Process Control and Data Management
- Power and Motor Controls
- Maintenance and Calibration System
- Industrial Communication and Connectivity
- Energy Management System
- Machine Safety & Automation Systems
- Enclosures and Accessories
- Power Supplies and Conditioners

INDUSTRY

We are a one stop shop for comprehensive range of industrial measurement, control and automation products and services to all types of industries throughout Nigeria.

- Plastic, Printing, Paper & Packaging
- Pharmaceuticals and Life Science
- Chemical and Petrochemical
- Flourmills, Noodles & Pasta
- Glass and Heat Treatment
- Palm & Vegetable Oils
- Brewery & Malt Drink
- Water & Waste Water
- Cement and Concrete
- Metal, Wire & Cable
- Dairy & Beverages
- Engineering Services
- Food & Agro base
- Power & Utilities
- Soft/Fruit Drinks
- Machine Tools
- Sugar & Salt
- Distillery
- Oil & Gas
- Marine
- Textiles

APPLICATIONS AND SOLUTIONS

We provide measurement, control, automation, maintenance and calibration solutions for the following industrial processes, plants and machineries.

- Electrical Panel Building Components/Accessories and Services
- Test, Verification, Maintenance and Calibration services
- Compressed Air quality, energy and controls
- Utility Fluids Metering & Inventory Systems
- Electrical/Instrumentation Tools
- Maintenance and Calibration Products
- Labels, Markers & Printing Systems
- Energy Monitoring & Management Systems
- Fluids Loading & Off-Loading System
- Industrial Machine Safety Systems
- Power/Signal Protection & Conditioning
- Dosing, Filling & Batching Systems
- Industrial Wireless & IoT Systems
- Industrial Conveyor Systems,
- Fuel and Chemical Tank Farm
- Condition Monitoring Systems
- Gas/Liquid Storage/Buffer Tanks
- Printing & Packaging Machines
- Water and Wastewater Treatment Plants

02

- Water Wells and Boreholes
- Industrial Washing Machines
- Boiler and Steam System
- Separators/Centrifuges
- Heating & Cooling Systems
- Motors, Pumps & Fans
- Air/Gas Compressors
- Grains/Powder Silos
- Diesel/Gas Engines
- Mixers & Blenders
- Sterilizers & Dryers
- Plastic Extruders
- Heat Exchangers
- Homogenizers
- Oven/Cookers
- Process Filters
- Pasteurizers
- CIP Systems
- Furnaces

OUR PARTNERS

Office Address:

Third Floor, 30 Abeokuta Expressway,
Near Cement Bus Stop, Dopemu, Lagos

Telephone: +234 01 3424691

Mobile: +234 0 8055103288
