

SUITABLE APPLICATIONS:

| air / compressed air | carbon dioxide (CO₂) | crypton | methane (CH₄) | nitrogen (N₂) | oxygen (O₂) | LPG | propane | natural gas | argon (Ar) | hydrogen (H₂) | technical gases | mixed gases | laughing gas (N₂O) | propane (C₃H₈) | helium (He) | vacuum | other gases on demand

PRODUCTS:

- Dewpoint Measurement
- Flow Measurement
- Leak Detection
- Pressure Measurement
- Compressed Air Quality Measurement
- Recorders
- Software
- Power Meters
